The observations.
Residential.

Bahrain Population 1.5 million
95% English speaking
An Island.

Our closest country and friendly national
where most of the investors come from
Saudi Arabia.

There are so so many empty buildings.

What would happen if all empty
apartments and offices were full?

Population growth uncontrollable

Traffic would be much much worse
than now.

Why not bring in more buyers and
less workers, bring more investors.

Yes but bringing investors, who are
buying their homes as a secondary
residence?

Businesses which uses Offices.

Office uses :

Advertising

Banking

Communications

Information Technology

Finance

Lawyers

Marketing

Trading

And more.....

More informations

Bahrain is cheaper to live.

Banking secrecy

Communications could be much better

Internet speed is good but in only a few places.

The BHD Bahrain Dinar, is higher than most currencies in the world.

They are around, but many charge a very high fee for little results.

Well that is where I come in.

We are in the middle, between the West Europe, USA and the East the mass markets of the world.

There are more millionaires in this hemisphere than in any other parts of the world.

Advantages of Bahrain in the world.

No excessive taxes which the western world likes to subject their peoples too.

Banking freedom. In comparison with Europe or the USA.

Bahraini business is taxed, but not in the same way as in other countries.

No income tax.

No death duties tax

Easy investments min GBP 100000, in Bahrain and get yourself a residence permit and a bank account for 30 years.

There are also other cheaper ways too.

Advantages of Bahrain over other countries of the GCC.

The same freedoms, which we as westerns have at home, we have here in Bahrain.

The currency is of a higher value.

Pork is consumed here.

Alcohol is consumed here.

Women occupy more government agencies and are also very involved in the running of the Kingdom.

Women have the same freedoms, as they would have in Europe or the USA.

Main advantages for being in Bahrain.

Residential

90% of the population speak English

Its sunny 330 days out of the year.

Cheap to live here.

8 hours flight time to Europe.

Very very secure.

First class medical facilities

Everything is close.

Most everything is imported.

Commercial

Quick and easy company set up.

If you are in manufacturing, the government will pay you back 50% of the value of the imported equipment.

For the first year the government will pay the 50% of the Employees salary the first year and 30% the next 6 months.

Workers salaries are in line with those from China.

Bahrain is closer to the USA than China is.

There is a free trade agreement between the USA and Bahrain, so anything produced here automatically is tax Free into the USA.

The price of Gasoline is cheap

Banking interest rate on your money placed per year.
(Please check this information to be actual and in the bank which you choose)

For an amount of BD25000 interest rate per year is around 3.25%

For an amount superior than BD50000 interest rate per year is around 5+%

Conclusions :

How do we bring the investor here?

In this small introduction, we have showed him/her, why Bahrain means, both business sense for the investor, as maybe for a retirement plan, or for the resident who wants to be taken care by the best hospitality money can buy. There are many more advantages to be here.

No wonder, Bahrain is the number one destination for Indian Weddings.

We have a young and eager work force.

This is Business at its best in Bahrain. The cross roads, of the world.
